Venue: KLE School Auditorium

Pradyutita 2022 was held on the 10th of September to introduce the students and parents of the 2022-2023 batch to the syllabus, practices and faculty of the BCA department. The purpose of the event was to explain to parents and students alike about the IT industry, the scope of BCA and the different branches of BCA. This will help give them an idea of the course and its benefits.

The event was beneficial and informative to the participants. The guests were from different fields of the IT industry such as start ups and MNCs. They provided a clear picture of what the industry expects and how BCA graduates can fulfill that expectation.

During the afternoon session, faculty of the BCA department gave a glimpse of the BCA syllabus, BCU and NEP 2020. Lunch and tea was provided for all the guests and participants. Representatives of Seminarroom, ICT Academy, ESSVEE, Ethnus, Proofile and OPTRA gave an insight into their roles within the BCA department.
