

**KLE S Nijalingappa College**  
**Department of Computer Science**  
**Bachelor of Computer Application**

**Orientation Report**  
**Day 6**

**Speaker: Mr. Vishnu Prasad, State Head, Karnataka, ICT Academy**

**Time: 11:00 AM to - 12:00 PM**

**Date: 24<sup>th</sup> September 2020**

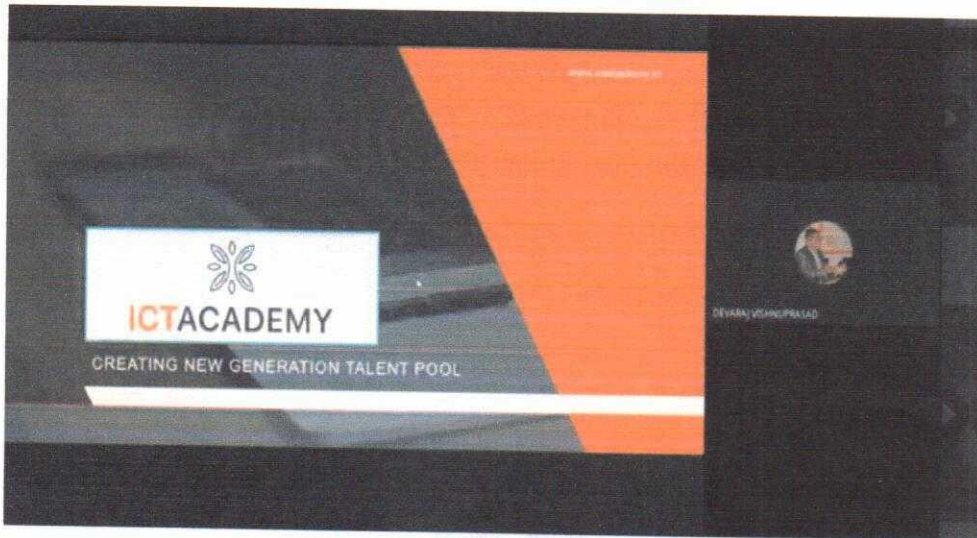

**Topic: "Role of ICT Academy-Bridge between Industry and Academia"**

Mr. Vishnu Prasad started the session by introducing what is ICT? How it will help them throughout the entire journey of BCA and what will be the benefits provided by ICT to students to excel in their careers. ICT provides Faculty development, Skill Development, Entrepreneurship Development, Youth Empowerment, Research and Publication, Digital Empowerment and Industry Institute Interaction. There are various certification courses provided by ICT to students, so that they excel in their carrier, certificates like AI, Robotic, Deep Learning, and Machine Learning.

Sir stressed upon Learnathon, and how it has helped students to learn new technologies. ICT Academy is going to conduct 4 conferences such as IOT, Robotics, Energy Sensors, Signal Communication and Embedded Systems which is going to help students in their carrier and have great scope in their future endeavours. Lastly he concluded understanding the skill gap that prevails among the students in the colleges, ICT Academy believes that the foundation skill development in students plays a vital role in the life of the student in deciding their career and pursuing their dreams.
