Women Empowerment Cell

Women Empowerment Cell (WEC) is established to raise awareness among students of gender-based issues and the different challenges that women experience. WEC gives women the tools and techniques to reduce personal stress, enabling them to take on today's issues. Women can overcome these obstacles as a group rather than alone because of the sense of community that is fostered. The promotion, development, and empowerment of women is the aim of the Women Empowerment Cell. The Women Empowerment Cell supports women in overcoming obstacles with pragmatism so that each can become an independent individual.

The Women Empowerment Cell is adhering to the UGC mandatory policies on the security measures for female employees and students. With an emphasis on encouraging decision-making, Women Empowerment Cell aims to empower women on all fronts—socially, economically, politically, and legally. To hasten young women's scholastic advancement, leadership development, and cultural enrichment, it organizes guest lectures and a variety of other events.

Vision
