A report on "Arjavam"

Event Details:

Date:	29/10/2022
Event:	Pre-Placement Talk
Duration:	10:00 a.m. - 12:00 p.m.
Beneficiaries:	V Semester BCA Students and Parents
Guest:	**Mr. Venkatesh S V** , CEO, Proofile.in
	Dr. Vishwas M P, Soft Skills & Behavioural Trainer
	Mr. Shashank Lokesh, Co-Founder at TeaminUp
	Mr Jeevan Kumar, Director, ESS VEE

Venue:	KLE School Auditorium

The pre-placement talk "Arjavam" was conducted for V semester BCA students and their parents. Great eminent speakers are also part of Arjavam. Shri. Shashank Lokesh who owns the startup TeaminUp, spoke on the latest technologies prevalent in the Software industries. Shri. Vishwas who works as a soft skills and Behavioural Trainer spoke on the importance of staying focused and resilient on whatever path the students tread. He stressed on the importance of mental well being of students and how they need to be willing to take up responsibilities of their families. Shri. Venkatesh who is the CEO of Proofile.in, addressed the parents more than the students. He cited a few examples one of which was his own experience in which he stressed on the importance of perseverance and hardwork and the role of parents in shaping the career of their children.

Parents and students openly discussed all the challenges they had faced during COVID and how the institution can help them to overcome the knowledge gap. All the trainings that would be given to the students as part of the Placement process would be conducted inside our campus without any additional costs to the students. All the trainings would be facilitated through external companies who are collaborating with our institution. It is ensured that all the trainings would not interfere with the regular classes. The event ended with snacks and tea for the parents as well as students.
