Venue: Department of Computer Application

Introduction:

The Colours Carnival 2022-23, a cultural and sports event, was held from June 12th to June 17th, 2023 at the Department of Computer Application. The event aimed to provide a platform for II, IV, and VI Semester students to showcase their talents and abilities, fostering teamwork and coordination. By participating in various activities, students had the opportunity to explore their potential and realize the power of collaboration.

Activities:

The Colours Carnival commenced with an interactive morning session where students had the chance to engage and connect with each other. This session aimed to create a vibrant atmosphere and encourage camaraderie among the participants. In the afternoon session, both indoor and outdoor games were organized to provide students with a diverse range of sporting activities.

Day 3 - 14-June-2023:

On the first day of the carnival, the colour code designated was green, symbolizing unity and harmony among the participants. Students embraced the theme by dressing in green attire, creating a visually captivating display of togetherness. The afternoon session focused on indoor games specifically organized for the II Semester students.

The following games were played:

1. Carrom
2. Chess
3. Table Tennis
