Introduction:

The Colours Carnival 2022-23 was a week-long cultural and sports event held from June 12th to June 17th, 2023 at the Department of Computer Application. The carnival provided a platform for II, IV, and VI Semester students to showcase their talents and promote teamwork and coordination among participants. Through a variety of activities, the event aimed to help students realize their potential and foster a sense of unity and camaraderie.

Activities:

The morning session of the Colours Carnival involved interactive sessions where students had the opportunity to connect and engage with each other, fostering a vibrant and inclusive atmosphere. In the afternoon session, both indoor and outdoor games were organized to provide students with an opportunity to participate in friendly competitions and showcase their sporting skills.

Day 5 - June 16, 2023:

On the fifth day of the carnival, a colour code of pink was designated, symbolizing unity and solidarity among the participants. Students dressed in pink attire, creating a visually captivating display of camaraderie. The afternoon session was dedicated to outdoor games specifically organized for the II, IV, and VI Semester students.

The following games were played:

1. Throwball
2. Volleyball
3. Track Games
