

KLE Society's
BACHELOR OF COMPUTER APPLICATION COLLEGE
S Nijalingappa College premises, Bangalore

Infrastructure, Facility, Area, Buildup Area, Computer LAB with photographs:

The year 2007 marked a milestone in the history of the Department. The year saw the Department grow in all its strengths. The Department is now housed in the state of the art building rightly called "Jnana Bhandara". Jnana Bhandara has spacious classrooms and labs; all fitted with LCD projectors and computer labs with the latest configuration systems in them.

State of the art infrastructure includes:

- Labs having PC's with high end configuration and UPS backup.
- All classrooms and Labs fitted with LCD's and CCTV
- Digital lab equipped with digital trainer kits
- Micro Processor Kits
