Report on "Ui Path AI Fabric Overview"(UI Path) for II & III Year

CERTIFICATION DETAILS:

DATE   : 5-10-2020

DURATION   : 2.30 hours .

BENEFICIARIES   : II & III year students

RESOURCE PERSON : Online Training by UI Path Trainees.

On 7th Octoberr 2020 department conducted certification course from UI Path Academy known as as "Ui Path AI Fabric Overview" for II & III year students. This course gives an overview about how AI Fabric enables the management of Machine Learning models and their deployment in automated processes built with Ui Path studio.

At the end of the course one will be able to define the main concepts related to artificial intelligence ,describe on a high-level how machine learning works, will be able to learn how AI Fabric work and types of ML models it can manage, it also teaches how to create projects and upload datasets in AI Fabric train and evaluate out of box ML packages in AI Fabric with pipelines.
