Brief of the Event:

Honeywell Hometown Solutions India Foundation (HHSIF), the CSR arm of Honeywell India is committed to empowering today's youth to be future-ready.

As we celebrate #WorldYouthSkillsDay on 15 July 2022, We are lighted to share that Honeywell is partnering with ICT Academy to organize and facilitate physical and virtual volunteering activities across India. Over 250 Honeywell employees have registered as volunteers to impart right skill sets for the youth to prepare them to join the workforce facing massive technological disruption.

Ms. Aanavi Gupta, a bright young person, engages the class so well with her very clear voice and her soothing explanation.

Ms. Vaishali Kowshik, who has been working in Honeywell as a R & D Manager, also interestingly knows the ways of explaining each and every topic in unique and understandable ways to make people understand.

Mr.Imroz Ahmed Adembala, Program Manager at Honeywell, was so clear and crisp of the explanation he made. He took very less moment at the podium but students were so keen on listening and quiet for the whole event took place.

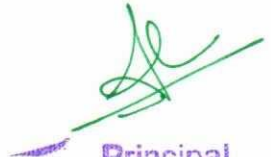

Ms. Priya Thakur, Data Analyst at Honeywell who presented the PPT of Communication especially on Verbal and Nonverbal, made our students understand about the need of communication professional space and the classification of communication as verbal - the way we speak and nonverbal communication - the way we act.
