YOUTH RED CROSS

AWARNESS CAMPAIGN ON DEWORMING – 10/02/2023

National Deworming Day (NDD) was launched in 2015. National Deworming Day 2023 is observed on 10 February annually to spread awareness about the importance of deworming in all preschool and children of school age between 1 to 19 years. On the occasion of this Youth Red Cross wing of KLE's S Nijalingappa College have organized awareness campaign in Government Primary and Secondary School, Prakash nagar, Bengaluru. Staff and volunteers explained about types of worms, their symptoms, and preventive measures.

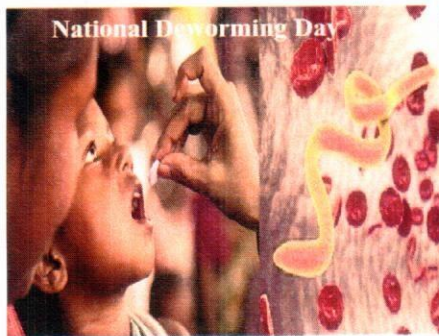

The purpose behind celebrating the day is to reduce the prevalence of Soil-Transmitted Helminthes (STH), commonly known as parasitic intestinal worms, among all children. The day is an initiative of the Ministry of Health and Family Welfare, Government of India to make every child in the country worm-free. Deworming is done through platforms of schools and Anganwadi centers "to improve their overall health, nutritional status, access to education and quality of life".

As per World Health Organization (WHO), about 24% population across the world is infected with soil-transmitted helminthes worms. In India, around 241 million children of age groups 1 and 14 years are at risk of parasitic intestinal worms which are known as soil-transmitted helminthes.

Volunteers explained about causes of various helminthes diseases and advised not to take uncooked and contaminated food, excess sweets and junk food. Also highlighted symptoms like abdominal pain, diarrhea, nausea, fatigue, weight loss. Cleared about transmission through soil contaminated with faecal matter.

Beneficiaries – 161 Staff, Primary and degree students.

Respected Sir,

Subject: Appreciation Letter for conducting awareness speech on De-worming.

As referred to the above subject, this is to inform you that Youth Red cross wing and Department of Zoology had visited our school on 10-02-2023 and conducted awareness speech on infectious worms, causes, symptoms and their treatment on the occasion of National de-worming day 2022-2023.

We appreciate HOD, Program, Co-Program officers and volunteers of YRC for celebrating National de-worming Day by providing de-worming tablets and awareness, which enhanced the knowledge of our students.

Thanking you
