YOUTH RED CROSS

Har Ghar Thiranga

YRC wing of KLESNC organized a 'Har Ghar Tiranga' campaign under Azadi Ka Amrit Mahotsav to encourage people to bring the Tiranga home from 12th -15th August 2022. Our relationship with the flag has always more formal and institutional than personal. Bringing the flag home collectively as a nation in the 75th year of independence thus becomes symbolic of not only an act of personal connection to the Tiranga but also an embodiment of our commitment to nation building. The idea behind the initiative is to invoke the feeling of patriotism in the hearts of the people and to promote awareness about the Indian National Flag.

This initiative is especially focused on engaging the youth of the country. The Indian National Flag represents free India, evoking patriotism in the hearts of the masses. One can proudly associate the 'tricolor' with the many brave souls who dedicated, even gave up their lives, so that the National Flag could fly high. The National Flag of India was adopted in the meeting of the Constituent Assembly on 22nd July 1947, days before India gained Independence on 15th August 1947. The colours of the National Flag of India hold great significance and were chosen distinctively to portray the spirit of India.

Events are being held across the country to celebrate and popularize Har Ghar Tiranga, from the 'Tiranga Utsav' event held on 2nd August 2022 to celebrate the birth anniversary of Pingali Venkayya. On 12th our beloved principal Dr. Arunkumar B Sonappanavar delivered a talk on importance of flag and oath and explained how to hoist a flag on home terrace in the morning and fold flag in the evening for one week. We celebrated flag colour week & organized rally in Rajaji Nagar along with chief guest Mr. Suresh Kumar, MLA to create awareness and importance of flag in public on 13/08/2022. Each such initiative has become testimony to the spirit of Azadi Ka Amrit Mahotsav.

On the occasion of flag colour week, YRC wing of our KLESNC College explained the importance of flag and flag colour meaning, Saffron indicates strength and courage, white indicates peace and truth and green stands for fertility and growth. The Chakra present in the centre of the Flag symbolizes motion, progress, and advancement to students.

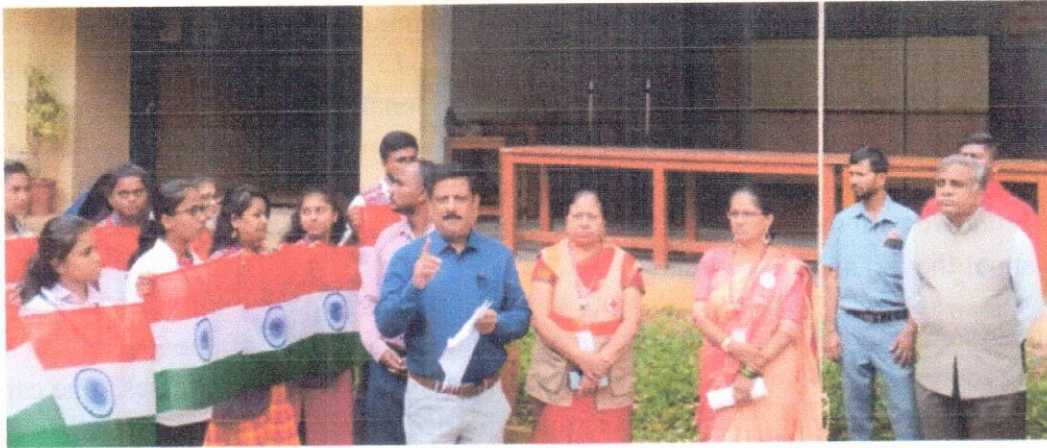

The dignity of the National Flag of India is governed by the Flag Code of India and its amendments. It describes the conventions, practices and instructions for the display of the National Flag. The vision of honouring the National Flag is becoming a reality and another milestone celebration of the people of India.

One day interactive workshop organized on 13/08/2022 on importance of Amruthmahotsava in association with BBMP, Rajajinagar, Bengaluru. Chief guests Mr. Shivaram and Shriraksha actors delivered a talk on freedom fighters and importance of flag and flag hoisting.
