YOUTH RED CROSS DAY CELEBRATION

World Red Cross Day is observed every year on May 8 to share the principles of the International Red Cross and the Red Crescent Movement with everyone. World Red Cross Day marks the birth anniversary of the founder of the International Committee of the Red Cross, Jean Henry Dunant, was the recipient of the first Nobel Peace Prize for his humanitarian work.

Every year a theme is decided and the celebrations of World Red Cross Day are carried out in accordance with the theme. The theme for the year 2023 is '**Everything we do come from the heart**'.

On the above mentioned occasion, YRC team (13 volunteers and 03 faculties) of KLE's S Nijalingappa College has visited Ananya old-age home, I stage, KHBS colony, Basaveshwarnagar, Bengaluru. Volunteers checked Blood Pressure and interacted actively with old age people. During interaction old age people shared their feelings and some are requested to donate their required medicines. We donated required medicines to lead their life healthy. We have donated Glycomettrio 1- 30 tabs, Olmecip 40 mg- 30 tabs, Cilahert. T 40 mg – 30 tab. GluvildaOD, 100 mg – 30 tabs, C Celera – 30 tab, C Calforte 30 tab and Catchnil 30 tab.

Old age homes are predominantly for those senior citizens that cannot live with their children for some reason or are better off living there. They can live there for a small fee as well as have a 24-hour nurse on call. However, this can make them lonely. It is indeed depressing to see old people waiting perpetually for people to come to visit them. There is positivity to being around people of their own age, and doing activities together, however. They were all very friendly with one another and even to the people who visited.

It was deeply heartening to see the friendliness between the people who lived there. They were enjoying their lives as much as they could and focusing on the positives. They are very special people to be with.

Volunteers and old age people were very happy during visit. We thank Mr. Ravindra for given permission to visit old age home and to interact with them. We thank our Principal, Dr. Arunkumar B. Sonappanavar for kind support and encouragement.
