DEPARTMENT OF ZOOLOGY

NATIONAL E-CONFERENCE

"POLLUTION AND ITS IMPACT ON UNIVERSAL HEALTH"

Key note speech (Concise Report):

29/10/2020

Prof. Vijaykumar B Malashetty spoke about physical, biological factors of life. Types of pollution-air pollution, causes of air pollution, anthropogenic air pollution. Natural resources, global health hazard, effects on the environment global warming causes and preventive measures, noise pollution and its effects water pollution, types and its effects, thermal pollution, land pollution causes and its effects.

Technical Sessions – I & II (Concise Report)

Technical Session I chaired by **Dr. Shobha Ananda Reddy**, in session 01 total presents were 13.

Technical Session I chaired by **Dr. Sagarika K.**, in session 02 total presents were 13.

Valedictory: **Dr. Sagarika K.** has spoke about environment, how to overcome from pollution by practicing preventive measures. About health effects from the pollution and mentioned about the themes of the event which were more relevant to the present scenario. This created a platform for interaction by which the information gathered was more helpful and congratulated everyone for a fruitful presentation. Madam has attended complete program and thanked all the guest speakers for informative sessions.

Opinion of participants: Participants were more from other states and few from other countries was beneficial in gaining the knowledge about environment, pollution and its impact. Participants felt the complete program was extremely helpful, very informative and all the sessions were valuable with respect to academic, research, profession. Event organized was extremely good and was relevant to the present scenario.

Feedback Analysis:

UG Students	PG Students	Research Scholars	Faculty	Industrialist	Others
43	04	23	151	16	07
Total feedback received from Participants: 244					

Outcome of event

The participants and society will be enlightened to achieve the sustainable development, increasing efforts to reduce indoor pollution, to assess pollutions, health and economic impacts and catalyse actions that reduce pollution in cooperation with other sectors, reducing climate related health risks, improving environmental quality.

Received 36 participants request for oral presentation, 026 Oral presentations was finalized and briefed in the conference. For publication received 36 papers and publication process is under process.
