DEPARTMENT OF ZOOLOGY

SCIENCE EXHIBITION

OBJECTIVES OF ORGANISING SCIENCE EXHIBITION:

1. Promoting interest in Science and Technology among younger generation.
2. Encouraging scientific and technological creativity among students and inculcating a sense of pride in their talent.
3. Encouraging creative thinking and promoting psychomotor skills among students through self designed models.
4. Popularising Science and technology among masses and creating an awareness regarding development of foetuses, female foeticide, obesity, blood transfusion and other human organs. And its impact on socio-economic and sustainable development of the country.

On 15th July 2023, we have organised a science exhibition in our college campus. A number of students from various classes participated in the exhibition. The chief guest for this exhibition was Dr. Rajesh Nairy, IQAC Co-ordinator, Physics department, P C Jabin Science College, Hubballi. The exhibition inaugurated at 11 am and started at 11:30 am and was open to all the parents and students of the college. As the exhibition started, final year students Mr. Raghava Pateriya, Ms. Divya, presented their exhibits like foetuses of 16 weeks, 22 weeks, 24 weeks, 6 months and 9 months. Ms. Thanushree, Ms. Kavyashree and Ms. Jayapriya explained about physiological functions of eye, ear, and brain, limbs of fore limbs and hind limbs and skull of man. Second year B.Sc students Ms. Thrupti J and Moulya surveyed height, weight for BMI and collected blood groups for counselling the students of various streams of college campus about obesity and blood transfusion. First year B. Sc students Ms. Sucheta N and Ms. Anitha explained about different types of butterflies and their importance in pollination and Ms. Hemashree explained Globe fish. Dr. Rajesh sir along with the Principal Dr. Arunkumar. B. Sonappanavar went around looking at the different models designed by the students and assessed the descriptions given by the students and shared extra information with the students. Everyone who participated in the exhibition was given certificates for their excellent efforts. The exhibition ended with the Principal's a speech extending gratitude to Dr. Rajesh and congratulating all the students who participated in the exhibition.

Outcome: Students created awareness about development of foetuses from fertilization, female foeticide, functions of ear, eye, and brain of human being, structure and development of human skull, limbs.

Created awareness about roll of butterflies, globe fish and also obesity and blood grouping among students of various streams of our college.

Inauguration of science exhibition

Faculty guiding the student

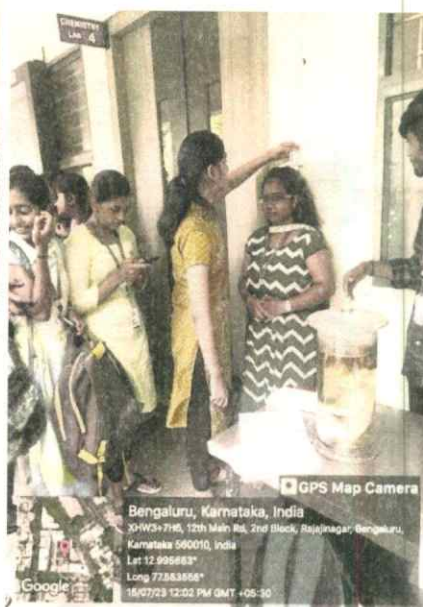

Audience observing foetuses

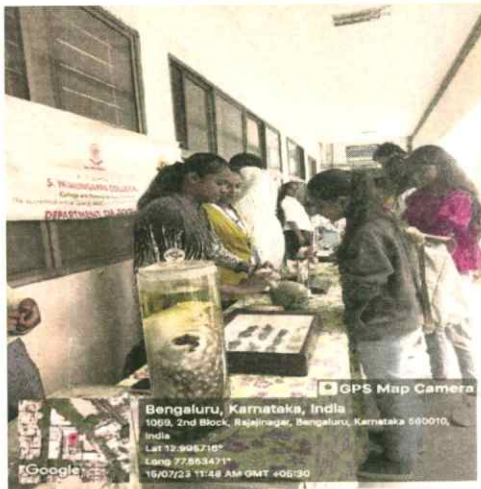

Students explaining the exhibits

Faculty observing the Exhibition

Students explaining to audience

Principal providing extra information to the students.
