

1) A brief history of the college concerned:

In 1916, a dedicated group of teachers popularly known as “SAPTARSHIS” embarked upon a dream vision – to create a strong education base in the neglected areas of Karnataka and Maharashtra. Over the past 104 years, the KLE Society has blazed a trail and set an unparalleled example in education and service in the South. More than 210 institutions run under KLE Society. Since inception, the aim of the KLE Society has been to set unmatched standards in the quality of education, thereby creating world-class professionals who are empowered to set standards of their own, in a global arena.

Realizing the magnitude of such a task, the sponsoring Society began its efforts a decade ago under the dynamic leadership of **Shri. Prabhakar Kore, Chairman, KLE Society** to achieve the University status. The KLE University status has been accorded by the Ministry of Human Resource Development, on the advice of the University Grants Commission (vide their letter No.F.9-19/2000-U.3 (A), dated 13-04-2006).

K.L.E. Society’s S. Nijalingappa College is a constituent college under KLE Academy of Higher Education and Research, Belagavi. The college was established in the year 1992. It has earned a good reputation for imparting quality education, principle and deep commitment for achieving excellence. The college is reaccredited by NBA for 5 years and is recently ready for third round of reaccreditation.

K.L.E. Society’s S. Nijalingappa College, Bengaluru was established in the year 1963, is one of the premier institutions of K.L.E Society. The fact that the college has been Re-accredited at grade “A+” by NAAC with a CGPA of 3.53 on a 4 point scale stands as a testimony to its unflinching focus on quality education, it has also been accorded with status of CPE for second consecutive time. College has received the status of ‘College with Potential for Excellence’ Phase II and UGC STRIDE component I by IGC in 2019.

Karnataka Rajya Vijnana Parishat (KRVP) was founded in 1980 as an autonomous registered society it is an organization of about 79 units, 34 district committees and 653 rural school science centers’s spread across the length and breadth of Karnataka. It is purely funded by science and technology department of Government of Karnataka. Bharat Ratna Prof. CNR Rao is the chief patron of KRVP. Activists and promoters of KRVP include scientists, teachers, administrators, doctors and other professionals.

FACILITIES AGREEMENT

Place and date of agreement

KLE Society's S. Nijalingappa College,
Bengaluru, India. Date: 22-12-2021

Party No. 1 / (Educational Institution)

KLE Society's S. Nijalingappa College,
Bengaluru (referred to as the KLESNC),
having its college at Bengaluru Campus,
Rajajinagar, **India**, 560010. Acting through
its Principal - Dr. Arunkumar B.
Sonappanavar,

Party No. 2/

(Business Incubator/Start Up Centre)

Karnataka Rajya Vijnana Parishat,
Bengaluru. (referred to as the Startup
Center), a society registered under the
Societies Registration Act, 1860 having
its office at No 24/2, 21st Main Road,
BSK 2nd Stage, Bengaluru - 560010,
India, acting through its Executive
Committee

Member / Director - Mr. Kaushik P. S.,

WHEREAS **KLESNC** will support the startup center as below.

- A. To support the startup center with existing infrastructure, furniture, appliances/peripheralsthroughout the operating period for free without any monetary implications.
- B. To support the incubation center with Wi-Fi/internet for free.
- C. To cross utilize existence staff for upkeep and maintenance of the facility given to startupcenter.
- D. Will allow the startup center to operate beyond the KLESNC working hours/ on weekends and holidays if needed.
- E. To permit and encourage students to participate / involve in the initiatives of the incubationcenter.
- F. To publicize startups in all its capacities in events, seminars, bulletin, etc.
- G. To give priority to in-house startups.
- H. To allow the startup center to conduct required training periodically.
- I. Will allow the startup center to use conference halls/ auditorium for training, meetingpurposes without any charge.

- J. Will empower the startup center to engage with professionals/mentors to assist startups.
- K. To permit startup center to partner with government, semi government, PSU AND Private ENTITIES.
- L. To allow startup center to raise funds by various means to fulfill the objectives of the startup center.
- M. Involvement of NSS volunteers for skill based approaches in coordination with Dr. Prathibha K. S., NSS Programme Officer, KLESNC, Bengaluru.

WHEREAS the **Karnataka Rajya Vijnana Parishath** will assure KLESNC as below.

- A. Partner with professionals, mentors, academicians, researchers etc.
- B. Partner with organizations, government public sector undertakings, private entities, non-government organizations etc.
- C. Provide training, incubation, legal, accounting services at nil/ concessional slabs.
- D. Provide insights on product design and collaterals.
- E. Provide social media, web, cloud, digital, offline and online marketing services at nil/ concessional slabs.
- F. Create opportunity to interact and seek insights from industry leaders.
- G. Create internship opportunity across various domains/ sectors.
- H. Provide networking opportunity to scale up the startups.
- I. Connect with moral supporters, accelerators, collaborators, service providers, etc.
- J. Support in organizing investment and connect with venture capitalists, investor setc. Also help in drafting the startup pitch.
- K. Organize stakeholder meets.
- L. Evaluate, handhold, monitor startups on a regular basis.
- M. Submit a quarterly report to KLE on the status of the startups.
- N. Identify opportunities for expansion / diversification of startups within and outside the territory of INDIA.
- O. Assist in trade fairs and expos.
- P. Provide requisite manpower for efficient operations of the startup center.
- Q. Encourage our skilled efficient NSS Volunteers for their upgradation and also for relevant placements.

NOW IT IS AGREED BY AND AMONGST THE PARTIES HERETO AS FOLLOWS:-

Grant of Facilities required will be identified and provided in the college

A. Period of contract/ termination: THIS agreement shall remain in force as long terminated. It shall be open for either party to terminate this agreement by giving 03 months written notice, without assigning any reasons. However, any termination of the agreement shall not absolve any liability to both parties incurred under this agreement.

A1. In the event of termination of this agreement by efflux of time or by notice as herein above provided or in any other manner whatsoever, the Startup center shall hand over to the KLESNC, all its equipment's, machines, premises etc in good and working condition, except the normal wear and tear.

B. Prohibited business: The startup center shall not support/ carry out any activity which is not abiding the laws/ rule applicable or which is prejudicial.

C. Right of lien etc: The Startup center shall not have right to lien or set off on any of the assets, paper, document, instrument, property of the KLESNC, for the due satisfaction of any of its claim, while the KLESNC shall have all such rights.

D. Maintenance of record/accounts: The Startup center shall keep proper storage and updated account of all activities and all other matters and transactions concerning the commercial / administrative aspects and such accounts / records shall at reasonable times be available for the inspection by the representatives of the KLESNC Bengaluru, who shall have full liberty to take copies or extracts from the same and make such queries and ask of such documents as may be expedients.

E. Jurisdiction: The agreement shall be governed by Indian laws. In the event of any dispute or difference between the KLESNC and the Startup center arising out of this agreement or the matter connected or incidental thereto or termination thereof, the Courts at Bengaluru alone shall have the jurisdiction in the matter.

It is also a great pride to both parties as this would be the first Incubation center in KLE Society's S. Nijalingappa College, Bengaluru

Letter of Appreciation

Dear Sir/Madam,

Please accept our sincere gratitude to all the chief functionaries and every members of the IIC Institution's Innovation Council (IIC) of K.L.E Society S. Nijalingappa College, for the continuous support and contribution towards building the innovation and entrepreneurship culture development in your campus and also extending support to help other IIC institutions towards growth of the IIC network during the academic year 2022-23.

Chief Functionaries of the IIC at K.L.E Society S. Nijalingappa College., Bengaluru Urban

Name	Position
Dr. Arunkumar B. Sonappanavar	President
Dr. Shankar V. Madawale	NISP Co-ordinator
Dr. Rajkumar M Badiger	Convener
M.R Chaya	Innovation Activity, Member
Dr.Murali.S	Start up Activity Coordinator
Dr.Jayashree C. Kambar	NIRF Coordinator
Dr.Prathibha K S	IPR Activity Coordinator
Rajeev R Potadar	Social Media
Sujay Sindhey S	Internship Activity Coordinator
Naina Havaldar	ARIIA Coordinator

As we are progressing towards a 'quality' driven I&E ecosystem development, we strongly believe that the IIC model and its unique structure is definitely putting your HEI's thoughts, actions and aspirations in a systematic way to achieve inclusive and holistic development of the ecosystem.

Thanks & regards,

Report for Azionare-4

Annually KLE's S Nijalingappa college conducts Inter-School & Inter-Collegiate Science, Commerce and arts exhibitions and competitions to motivate the students towards basic science and to understand the concepts by practical models, in the name of Azionare - cause a transformation.

The science exhibition, Azionare-4, was conducted on **1st and 2nd December, 2023**. The programme was inaugurated on 01/12/2023 at 9:30 AM by the principal of the sister concern college.

The students from various schools and colleges participated in two competitions conducted by the chemistry department- Mind mapping and static and working model competition.

The static and working models were exhibited in three laboratories of the chemistry department on both days. Students from various schools and colleges visited our innovative labs, enjoyed our experiments, and showed great enthusiasm while having insight into the principle behind each experiment. Apart from students, the public (General Audience) walked in to cheer and support our students and shared their experiences about Azionare-4. The students performance in every experiment was fabulous and indeed reflected their hard work. Valuable feedback was collected and reported.

Indeed, Azionare-4 was a grand success. The prize distribution and valedictory function, for Day-1 was organized in the school auditorium at 3:30pm and was addressed by Dr. Roopa M V, scientist/ Engineer 'SG', ISRO/ ISTRACK, Bengaluru, Dy. General Manager, Spacecraft Operation Area. The Valedictory function of Day-2 was addressed by Sri. S I Munavalli, Member, KLE Society, Belagavi. The exhibition got winded up in the vibrant and positive mood.

Nearly **300 Students** of nearby high school and PU colleges were benefited from this Science Exhibition.

DEPARTMENT OF CHEMISTRY
Conducted
IQAC Initiated
Report on Science Exhibition

A science exhibition is a platform where students can showcase how much they have understood the different scientific theories through their projects/models. It also helps to build the ability for teamwork and cooperation among students. The objectives of the science exhibition are to promote interest in science and technology. Engages students in learning new facts and inventions with a zeal of interest. Explore the creative talent of the students and force them to think outside of the box.

So on this context, the department of chemistry initiated by IQAC conducted Science Exhibition on Saturday, 17th July 2023 in KLE's S.Nijalingappa College campus, many number of students from various classes participated in the exhibition. The exhibition started at 11:00 a.m. and was open to all the students of the college. The chief guest of the exhibition was Dr. Arunkumar .B. Sonappanavar, Principal. He inaugurated the programme along with HOD's, co-ordinators and faculties of various departments. As the exhibition started, various students presented their models in chemistry like-

- 1) Hybridization orbital model by Theerthan Gowda of III BSc (PCM)
- 2) Ore samples of iron, Aluminium, magnesium, copper, phosphorite from different places by Shanmukha of II BSc (CBt).
- 3) Models of allotropes of carbon by Nithyashree II BSc (CZ)
- 4) Crystal lattice model of NaCl, End centred cubic, Rhombohedral and monoclinic by Ayesha S II BSc (PC).

Nearly, 111 students of PUC, UG, PG and Pharmacy of same campus were benefitted. All the Science Department of college conducted the above mentioned activity with the support & the guidance of Principal of the College.

Department of Biotechnology

Science Model Exhibition

**Dept of Biotechnology Transgenix Club organizes Science
Science Model Exhibition for Academic Year 2022-23**

Theme: Popularisation of Science

Date: 15.07.2023

Report of Science Model Exhibition Transgenix Club, Department of Biotechnology, Organizes Science Model Exhibition (Working and Static) for the UG students on **15.07.2023** at **11:00AM**, with **Broad theme "Popularization of Science"**

Objective:

The aim of the exhibition is to motivate the students towards the field of Science concept, research and build the excellent participative and scientific skills among students. Further, Science Model Exhibition has motivated the students to learn new concepts & techniques of science.

Beneficiaries:

A total of **20 students** had registered and participated in the Science Model Exhibition with **20 various models**. Faculty of Department Of Biotechnology had guided students for preparing the models and motivated the students to prepare well designed science models which were very informative and matched the theme of Science.

Outcome: This Academic activity ignited the scientific temper and raised interest in research among the students. This Science models were observed Principal Dr.Arunkumar B. Sonappanavar, other various dept Heads and faculty of Science departments. Students had brainstorming session through this exhibition and had experiential learning.

Transgenix Club organizes Science Model Exhibition for Academic Year 2022-23

Theme: "Principles of Molecular Biology"

Report of Science Model Exhibition (Static/Working/On spot Reaction)

Transgenix Club, Department of Biotechnology, Organizes Science Model Exhibition (Working and Static) for all the UG and PG students on **22.06.2023 at 11:00AM**, with **Broad theme "Principles of Molecular Biology"**, at laboratory of Department of Biotechnology.

Objective:

The aim of the exhibition is to motivate the students towards the field of cell and molecular biology research and build the excellent participative and scientific skills among students. Further, Science Model Exhibition has motivated the students to learn new concepts & techniques of science.

Beneficiaries:

A total of **78 students** had registered and participated in the Science Model Exhibition with **20 various models based on the subthemes provided**. Faculty of Department Of Biotechnology had guided students for preparing the models and motivated the students to prepare well designed science models which were very informative and matched the theme of **Principles of Molecular Biology**.

Outcome: This Academic activity ignited the scientific temper and raised interest in research among the students.

This Science models were judged by Sri. Manoj S.V. Assistant Professor, Department of Chemistry. Other invited faculty Dr. Manohar Pillegowda and Nalina S. from Department of Chemistry. The teams have won prizes as follows.

Sl.No.	Team	Name	Title of the Exhibit/ Model	Place
1	4	4. Kaveri B. 5. Niranjan R. 6. Balaji Srinivasan	DNA Replication in Prokaryotes	I Prize
2	20	4. Venkatesh G.	Transforming Principle	II Prize

Department of Biotechnology

BEST PRACTICE: 2022-23

SCIENCE MODEL (STATIC AND WORKING) EXHIBITION

National Science Day 2023 - Theme: "Global Science for Global Wellbeing"

Date: 22-02-2023

Preamble:

Transgenix Club, Department of Biotechnology, celebrates the National Science Day 2023 and Organizes Science Model Exhibition (Working and Static) for all the UG and PG students on **22.02.2023 at 11:00AM, with Broad theme "Global Science for Global Wellbeing"**, at laboratory of Department of Biotechnology.

1. Objectives of the practice

- a. The aim of the Science Day Celebration is to motivate the students towards the field of science and build the excellent participative and scientific skills among students. Further, Science exhibition has inculcated scientific temper among the students through knowledge gained by observation of natural occurrences implementation of observed processes in the form of models leads to greater understanding of the concept and innovations.
- b. Students are motivated to indulge themselves in basic and applied science research areas; also, they are encouraged to develop new ideas and implement to bring out the creativity in model making.
- c. To build innovations and skill development attitude in students, it is important to explore latest trends and innovation is production or adoption, assimilation, and exploitation of a value-added novelty in scientific research and development. This builds social and economic values of students and also institution, thereby leading to scientific contribution.

2. The context

On account of National Science Day celebration, since 2014 Department of Biotechnology is organizing Science Model (static and working) Exhibition regularly, based on the themes published by DBT and MHRD, Government of India every year. This encourages students to involve themselves in application of theoretical knowledge in model making, understanding the mechanism involved. This also improvises reasoning & team building capacity of the students and presentation skills of the individuals are enhanced. The interaction of students with subject experts will facilitate concept clarification. This has a positive impact on academic excellence which brings out new ideas and innovations for research there by catering to their scientific potential.

3. The practice

The department of biotechnology regularly conducts Science Model Exhibition (static/working). The static and working model exhibition involves different teams involving 4 to 5 undergraduate students from different streams like BSc (life science and physical science) and BA (JPE, JPP & HEP). Students are guided by faculty of department of biotechnology to prepare models. The participants are provided with basic facilities and laboratory space for preparing scientific models. PEER tutorials facilitate and encourage group activities such as group discussions, team building and knowledge sharing would build team spirit, effective communication skills and leadership qualities among students. The teams present their creative ideas through working/ static models, exhibits and presentations supported by displays.

The exhibition will provide a common platform to the students to give shape to their innovative ideas and learn from each other's experience. It is brought into consideration that the students are inspired and motivated to conceptualize and initiate personal scientific journey through self motivation, concern for sustainability and inclusivity.

4. The evidence of success

The static/working model exhibition brings number of good innovative ideas. Students participating in it get an opportunity of exploring the scientific concepts. This practice encourages the students and appreciates their efforts. Every year best models are chosen and rewarded. Further, selected teams have an opportunity to exhibit in intercollegiate competitions. The models which have academic importance are selected to disseminate concepts in theory classes to enhance understanding of the topic visual learning skill.

5. Problems encountered and resources required

Students had difficulty for preparation of models, as students were busy in co-curricular and extra-curricular activities. Cost of exhibit preparation was a limitation for participation.

REPORT ON SCIENCE EXHIBITION - AZIONARE 15-12-2022

In the view of uplifting the knowledge of students with respect to science in general and mathematics in particular, a one day science exhibition - "AZIONARE, Cause a transformation " was held in K.L.E's S. Nijalinagappacollege, Rajajinagar, Bangalore campus. The students from different schools and colleges across Bangalore participated in the exhibition with great scientific temperament.

More than 1550 students from different colleges and schools and parents from nearby locality had enthusiastically participated on the 15th of December(Thursday) , which featured 22 Mathematics models(more than 100 students presented) which included Static models, Working models, mathematics puzzles, fun oriented models, mathematics tricks and games. Very unique way of reaching the knowledge of mathematics to the students . Our college students exhibited joy in learning, which was backed up by the management and faculty's support. Respective faculties of department of mathematics fine tuned the required skill sets which helped the students to present their models in mathematics before the visitors.

It was a story of success which drew many students towards it. The active participation of the students had helped them to gain wealth of knowledge towards the subject.

The students in addition to gaining the knowledge, the standout models in mathematics also won the appreciation from highly qualified, experienced and talented judges.

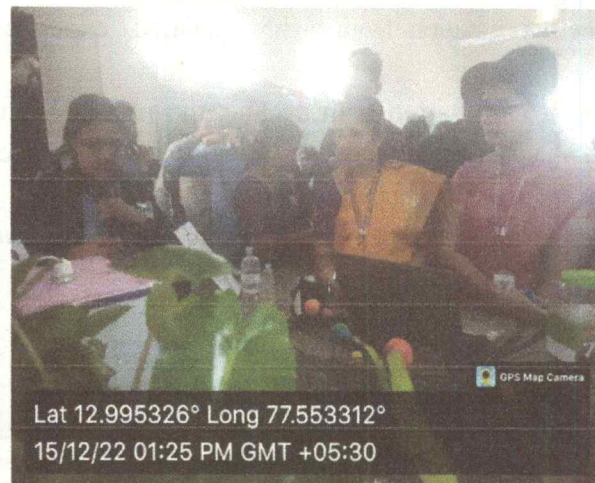

As it had started with a bang, the passion went on till the end of the event which also sparked lights of doing much more events on similar lines.

The support of the management, both teaching and non-teaching staff is highly appreciable. The following Teams are won the place.

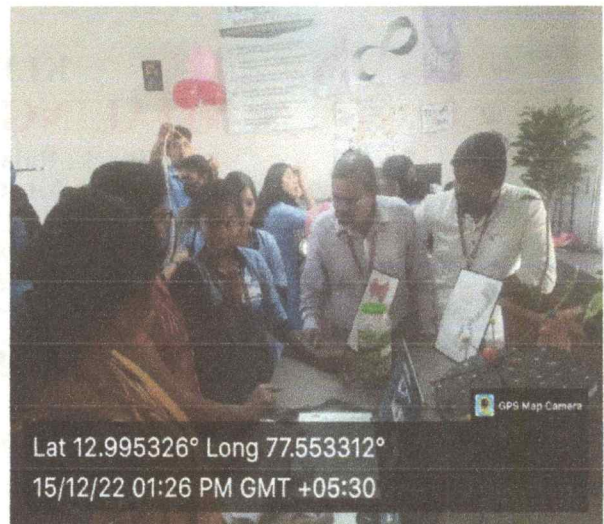

SL. NO	TEAM	NAME OF THE EXPERIMENT	PLACE
1	Payal Jain and Team	Mobius strip	1
2	Rahul A R and Team	Geometricity	2
3	Kishan A and Team	Ellipse	3

Department of Chemistry

Report for Azionare-3

- The science exhibition, Azionare-3 was conducted on 15th December, 2022 in four laboratories of our department.
- These labs were given innovative names like:-
 - i) Logical chemistry(Lab1)
 - ii) Scary chemistry(Lab 4)
 - iii) Chemi Lumi (Lab3)
 - iv) Magical Chemistry (Lab2)
- Every Lab was assigned with different kinds of experiments and numbered as follows:-
 - i) Lab1-15Experiments
 - ii) Lab2-16 Experiments
 - iii) Lab3-14Experiments
 - iv) Lab4-21Experiments
- Several Conceptual models were displayed in Corridor of our department.
- Exhibition commenced at 9.30am.
- Nearly 238 Students from various schools and colleges visited our innovative labs, enjoyed our experiments, and showed great enthusiasm while having insight on principle behind each experiment.
- Apart from students, Public (General Audience) walked in to cheer and support our students and shared their experiences about Azionare-3.
- The Students performance in every experiment was fabulous and indeed reflected their hard work.
- Valuable feedback was collected and reported.
- We have selected few colleagues from our college as a 'Judges' to appreciate the best experiment and deserved exhibitant.
- Indeed, Azionare-3 was a grand success. By 4:30pm, exhibition got winded up in the vibrant and positive mood.

The list of experiments under different labs is as follows:

LAB-1: LOGICAL CHEMISTRY

EXPERIMENT NUMBER	NAME OF THE EXPERIMENT
01	MAGIC PEN
02	MAKING A BALLOON FLY WITHOUT HELIUM
03	RED CABBAGE pH INDICATOR
04	EXPLOSIVE SOAP FOAM
05	PROPELLENT WITH PASTA
06	MAGNESIUM FLAME
07	BLEEDING HEART
08	BOUNCY BALL
09	BLACK SNAKE
10	STARCH TESTING
11	MAGIC WITH MAGNET
12	GOLDEN RAIN
13	CHEMICAL CHAEMELEON
14	CHEMICAL HOMA
15	FORTUNE TELLING

LAB -2 MAGICAL CHEMISTRY

EXPERIMENT NUMBER	NAME OF THE EXPERIMENT
01	ARTIFICIAL SNOW
02	WALKING WATER
03	WATER PURIFICATION BY ACTIVATED CHARCOAL
04	SURFACE TENSION
05	TYNDALLE EFFECT
06	PREPARATION OF SOAP
07	CANDLE MAKING
08	SPAN ABSORBENT
09	CRYSTALLISATION OF BORAX
10	COMPLEX FORMATION
11	RED HANDED TRAP
12	CHEMICAL BAR
13	SOLID STATE MODEL
14	FULLERENE
15	MAGIC MUD
16	ELEPHANT TOOTH PASTE
17	DANCIN BLUE AND GREEN FLAME
18	NITRIC ACID FOUNTAIN
19	CHROMATOGRAPHY
20	POLARITY OF WATER
21	ACID BASE REACTION

LAB – 3 CHEMILUMI

EXPERIMENT NUMBER	NAME OF THE EXPERIMENT
01	ARTIFICIAL SILK
02	ELECTROLYSIS
03	DIAZOTISATION
04	REDUCTION OF COPPER TO GOLD
05	BLUE BOTTLE
06	BLUE CLOUDS
07	TRAFFIC LIGHTS
08	PRECIPITATION REACTIONS
09	BOUNCING BUBBLE
10	ESTERIFICATION AND VIOLET VAPOURS
11	PREPARATION OF MOUTH AND ROOM FRESHNER
12	CONDUCTIVITY OF GRAPHITE
13	IODINE CLOCK
14	CHEMISTRY MENIA

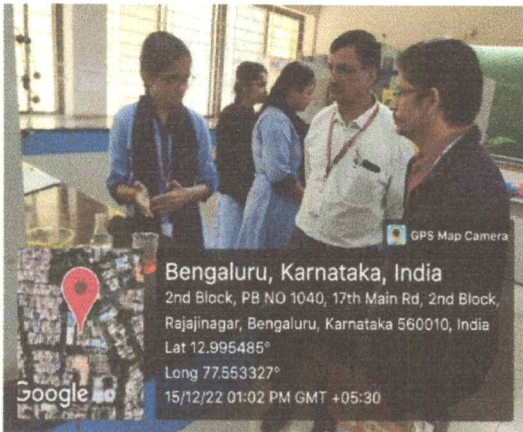

LAB – 4 SCARY CHEMISTRY

EXPERIMENT NUMBER	NAME OF THE EXPERIMENT
01	BLEEDING HANDS
02	VANISHING WELL
03	FIRE BALLS
04	RAINBOW COLOURS
05	BRITTLE WELL
06	GENEIE IN THE BOTTLE
07	GLOWING FLOWERS
08	UNDER WATER FIRE
09	GHOST RIDER
10	DRY ICE BIG BALLOON
11	FLOURESCENCE
12	MAGIC WITH FIRE
13	FIRE FLIES
14	BLOOD RED INDICATOR
15	FLAME WITH SANITIZER
16	MYSTICAL MUD

REPORT ON SCIENCE EXHIBITION-AZIONARE-2

In view of uplifting the knowledge of students with respect to science and Mathematics in particular, one day science exhibition-AZIONARE-2, 2019 was held in K.L.E's S. Nijalinagappa/Independent PU college, Rajajinagar on Friday, 30th of August 2019. The students from different Schools and Colleges across Bangalore participated in the exhibition with great scientific temperament.

More than 1200 students from different Schools and Colleges and also the parents from nearby locality actively took part in the exhibition which featured over 30 Mathematical models which includes Static models, Working models, Mathematics puzzles, fun oriented models, Mathematics tricks and games.

One of the unique way of reaching the knowledge of Mathematics to the students was done through **Mathematics Drama**.

Among all, **HORROR HOUSE** was the highlight which was done through Mathematical Formulae and Mathematical Concepts that overwhelmed the students.

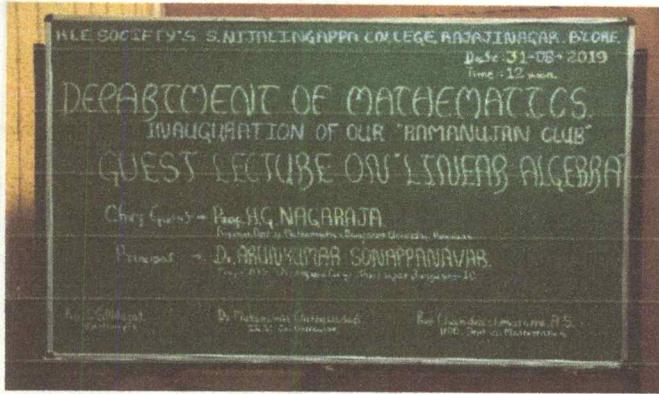

Our college students exhibited fun in learning, which was backed up by the management and faculty's support. The faculty members finely tuned the required skill sets of the students to present their models in Mathematics before the visitors.

It was a story of success which drew many students towards it. The active participation of the students had helped them to gain wealth of knowledge towards the subject.

The students in addition to gaining the knowledge, the standout models in Mathematics also won the appreciation from highly qualified, experienced and talented judges.

As it had started with a bang, the passion went on till the end of the event which also sparked lights of doing much more events on similar lines.

The support from the management, both teaching and non-teaching staff is highly appreciable.

REPORT ON SCIENCE EXHIBITION - AZIONARE 09-11-2018

In the view of uplifting the knowledge of students with respect to science in general and mathematics in particular, a one day science exhibition - "**AZIONARE, Cause a transformation**" was held in **K.L.E's S. Nijalinagappacollege**, Rajajinagar, Bangalore campus. The students from different schools and colleges across Bangalore participated in the exhibition with great scientific temperament.

More than **1550 students** from different colleges and schools and parents from nearby locality had enthusiastically participated on the 11th day of September(Tuesday), which featured **50 Mathematics models** which included Static models, Working models, mathematics puzzles, fun oriented models, mathematics tricks and games. Very unique way of reaching the knowledge of mathematics to the students were done through **Mathematics dance, Mathematics drama and Mathematics rangoli**.

Our college students exhibited joy in learning, which was backed up by the management and faculty's support. Respective faculties of department of mathematics fine-tuned the required skill sets which helped the students to present their models in mathematics before the visitors.

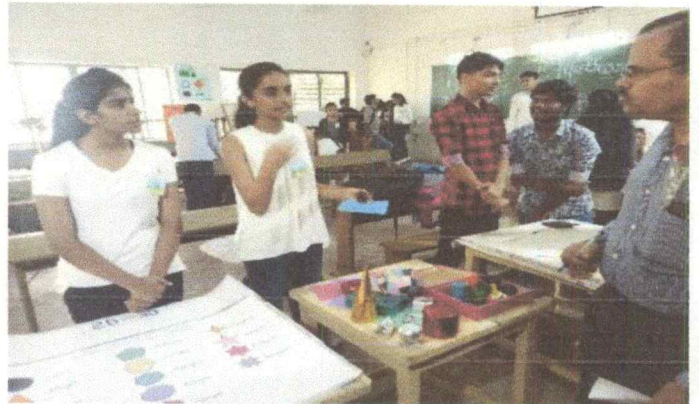

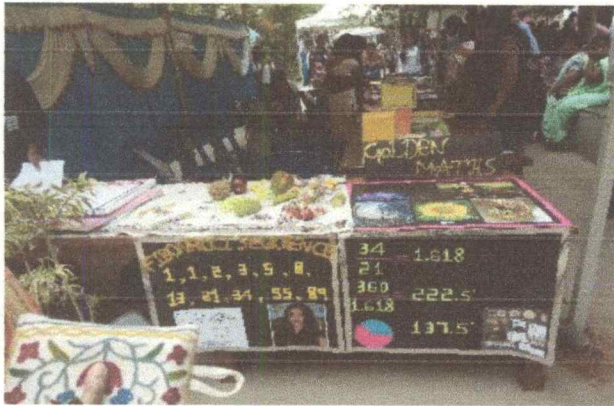

It was a story of success which drew many students towards it. The active participation of the students had helped them to gain wealth of knowledge towards the subject.

The students in addition to gaining the knowledge, the standout models in mathematics also won the appreciation from highly qualified, experienced and talented judges.

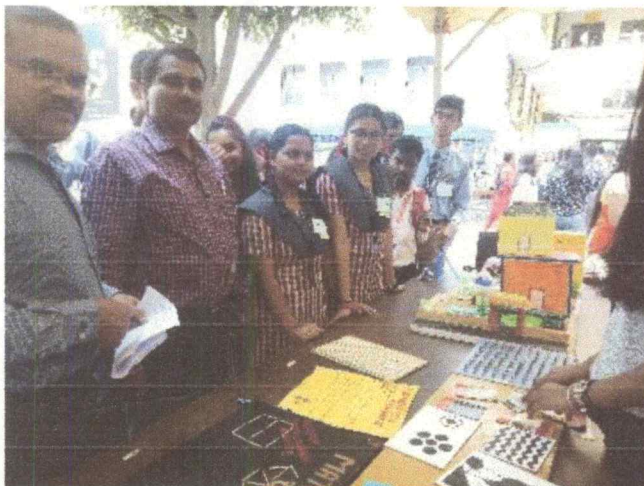

Exhibition of Science Models by Students

As it had started with a bang, the passion went on till the end of the event which also sparked lights of doing much more events on similar lines. The support of the management, both teaching and non-teaching staff is highly appreciable.
