Students Feedback on Curriculum

ACTION TAKEN REPORT

Sl.No.	Statements	Action taken
1.	Career oriented subject	The syllabus was found to be more theoretical and less practical oriented.. Such lacunae were filled by organising hands on training, interactive workshops, and webinars.
2.	Size of the syllabus in terms of load on student	The syllabus load was managed by taking additional classes and revision of topics and question papers
3.	Applicability/relevance to real life situations	The knowledge imparted by the curriculum seems to be more theoretical. The concerned concepts were explained with ICT tools with reference to real life situations.
4.	Relevance of syllabus to competitive examinations	As the syllabus was customary the there was a sound basic knowledge. Competitive exam coaching centre was established for giving coaching classes for competitive exams by the faculty.
5.	Relevance, usefulness and applicability of certificate and value added courses	Certificate and value added courses found to be useful and they were considered for extra credit points when they applied for postgraduation in foreign universities.

Employers Feedback on curriculum

Action taken report

Sl. No.	Statements	Action taken
1.	Curriculum role in developing innovative thinking	The students were exposed to enrichment programmes by different employers who gave motivational speech and gave the knowledge about current trends in job market. The students are encouraged to go for internships to get practical exposure about aspects studied in their curriculum
2.	Entrepreneurship development in curriculum	The institution has conducted various programmes in order to foster entrepreneurship skills. The students were encouraged certificate and value added courses which brought them a confidence to face the world after graduation. They are also engaged in project based learning which instill them with experiential learning and develop leadership qualities

Alumni feedback on curriculum

ACTION TAKEN REPORT

Analysis of feedback obtained from alumni were done by the committee and the statements which showed comparatively lesser feedback were brought to the notice of higher authorities and necessary measures were taken.

Sl. No..	STATEMENTS	Action taken
1	Revision and update of syllabus	The need for updation of syllabus was communicated to affiliating university which had brought recent changes. Further there was a transformation in education system during the academic year after the implementation of National education Policy 2020 which is introduced in Karnataka state for first time in India.
2	Curriculum is developing your personality	The syllabus had a lot of scope for enhancing personality of the student by inculcating theoretical knowledge. These were practically implemented by engaging them in various curricular, cocurricular and extracurricular activities. One of the department had conducted certificate course on effective communication skills.
3	Syllabus enhances employability	The college is continuously supporting the curriculum in imparting the knowledge to the students by continuously conducting certificate and value added courses. Conduction of workshops has increased capacity building among the students.
