STUDENT FEEDBACK ON CURRICULUM

(IQAC 2018-19)

Feed back analysis

The student feedback is very important to strengthen the quality of teaching learning environment and to look for opportunities to improve teacher's performance in classroom engagement with student to bring excellence in teaching and learning process. The students were given pre-printed feedback forms and they are collected and analysed. The students gave honest and fair feedback on curriculum. The syllabus was challenging and opined that depth of course content was appropriate. Syllabus was actually mapping with requirement of industry.

TEACHER'S FEEDBACK ON (CBCS) CURRICULUM 2020-21

Feedback analysis Report

Teachers' feedback is an important parameter for quality improvement of the curriculum and the quality of the student of institution. Teacher's feedback on curriculum is received every year and evaluated by IQAC and necessary updation is carried in the curriculum design and syllabus for the betterment of the student community. Important parameters regarding the curriculum were designed and feedback forms were prepared and distributed to teachers from our of all the streams and collected. The data obtained were analysed by the committee. Analysis revealed that many teachers felt happy with allocation of credits, depth of course content, sequential arrangement of topics, coverage of syllabus and experiential learning. But there was mixed responses towards some parameters like bridging of gap between industry and academia. Some expressed course content as vast and slightly difficult to finish the topics in a semester scheme. Some teachers expressed to increase the ICT facilities along with WiFi in the many class rooms.

EMPLOYER FEEDBACK ON CBCS CURRICULUM (IQAC 2020-21)

Feedback analysis report

The feedback from the employers were collected by Placement cell who are in regular contact with them. They expressed satisfaction towards many of the aspects such as well structured syllabus, ICT based teaching learning process and content of the syllabus. Some expressed that more emphasis is needed with respect to enhancement of practical competencies. There is a gap between industry academia and more practical exposure is required for the students. Students should be given more information about current trends in job market. Such points were identified and considered and initiate and design the programmes accordingly.

ALUMNI FEEDBACK ON CURRICULUM

(IQAC 2020-21)

Feedback analysis report

Feedback of the Alumni is an essential component for analysis and improvement in the higher education academic culture. Once out of the formal structure, the Alumni can objectively talk about the challenges faced by them visà-vis the curriculum with special reference to its utility in the job market. Alumni meet was organised and feedback forms were given and collected at the end of the meeting. The feedback forms were collected and analysed. The overall opinion was fair and good. The positive feedback was obtained with respect to curriculum design, availability of text books, classes held during pandemic, tests and assignments. Some parameters have drawn our attention. Regarding motivation towards higher studies many feedbacks opined that there is the need to revise the syllabus keeping in view of syllabus for competitive exams. More no. of classes can be included in addition to routine classes. short term certificate courses can be further improvised to increase employability skills. Regarding academic aspects some students have expressed satisfaction about organization of classes. Students expressed the need for additional experiments and projects to inculcate research temper among them.
