## EMPLOYER FEEDBACK ON NEP CURRICULUM (IQAC 2022-23)

### Feed back analysis Report

Employers constitute one of the important stake holders of the society as they offer the placements to students graduated from the university through higher educational institutions. They help to identify, understand, address and evaluate the problems in curricular aspects and teaching learning process. Hence a questionnaire along with the syllabi of different streams were provided and request to give the feedback on revised NEP curriculum. Employers expressed satisfaction regarding revamping the entire syllabus and introduction of NEP. They lauded the efforts done by KSHEC as the NEP curriculum provides all the necessary skills and competencies required for an undergraduate student. They appreciated the efforts made by the college for introducing certificate and value added courses. The syllabus included the curricular activities such as seminars, field visits, internships, student projects, industrial and field visits etc. which are sufficiently introduced in curricula of all the streams. Some employers suggested that employers may be included while framing syllabus to fine tune the same. They will join hands with Higher educational institutions in the form of MoU and provide training before giving placements.
